

2026 Teacher's Guide

Keep North Dakota Clean (KNDC) is celebrating their **58th** year of hosting the largest and longest-running Artwork contest in the state! KNDC is proud to partner with **Newman Outdoor Advertising** to motivate youth, and adults, to take action in their daily lives to protect the environment. Actions—even small ones—when taken together can create large-scale impacts. Help keep North Dakota clean and healthy for the people and animals that live and visit here. The artwork contest is for students in grades PreK-8 and students with special abilities. Participants create artwork that reflects their knowledge about the responsibility we all have to take care of our state's resources for generations to come. Highschool students grades 9-12 are invited to participate in the Media contest by creating radio advertisements to spread the message of KNDC. This packet outlines the rules and entry instructions for both the Artwork and Media contest.

First place winners receive a cash award of \$100, a certificate, a gold medallion, and have their artwork made into billboards by **Newman Outdoor Advertising**. Second place winners receive a cash award of \$75, a certificate, and silver medallion; third place winners receive a cash award of \$50, a certificate, and a bronze medallion. All state winners, their immediate families, and teachers, will be invited to an awards ceremony and luncheon on Monday, May 4, 2026, in Bismarck, ND.

Artwork Contest Rules for Grades PreK-8

The best artwork design for a billboard is bright, bold, and simple with dark lettering. Keep in mind, people can only read and understand about six words as they drive at highway speeds. Make a colored photocopy for the student to keep prior to mailing their artwork to KNDC, because **originals will NOT be returned**.

- ✓ All entries **MUST** be received no later than **March 6, 2026**. Tracking on all submissions is encouraged.
- ✓ All artwork **MUST** be on white **8.5 x 14 inch paper (legal-sized)** in **landscape** format. Other sizes are disqualified. This size is necessary so Newman Signs can scan the winning artwork to fit on a billboard.
- ✓ All entries **MUST** have a completed "Entry Form" taped to the back of the artwork.
- ✓ All entries **MUST** have the student's first and last name printed legibly on the **BACK** of the artwork in the lower right-hand corner. Don't use heavy ink that may bleed through or show in the front.
- ✓ The theme phrase **MUST** be on each entry and spelled correctly or will be disqualified. Special abilities students may use their theme or their grade theme. See page 2 & 3 for the theme phrases (bolded) for each grade.
- ✓ Entries **MUST** be reproducible and will be judged on readability at ten feet, originality, and neatness.
- ✓ All entries **MUST** be original artwork created by the student. Computer-generated art or printing, commercial glue-on letters, or copyright items (music, Disney characters, etc.) will **NOT** be accepted.
- ✓ All entries **MUST** lay flat. They should **NOT** be folded, matted, mounted, laminated, or framed. They may be rolled and put into a tube and mailed, if necessary.
- ✓ Artwork may be done in marker, crayon, colored pencil, watercolor, ink, acrylic, or tempera paint. Oil pastels are **NOT** acceptable. Bright, bold, and dark simple artwork shows up the best on billboards.
- ✓ Each school may submit only **one winner per classroom**. For example, if a school has three 4th grade classrooms, the total of 4th grade submissions from that school must be three or less.

GRADE 4 Theme: **Habitat—Homes for Wildlife** - North Dakota has five major habitats. They are prairie, badlands, wetlands, riparian areas and woodlands. Each of these habitats is important to wildlife of North Dakota and each is home to different species of wildlife and plants. *SPONSORS:* ND Game and Fish Department.

GRADE 5 Theme: **Trees Inspire Me To...** - Students will create artwork that reflect the inspiration they draw from North Dakota's trees. They provide beauty; food; habitat for wildlife; protect water and soil; produce oxygen; improve air quality; and provide recreation opportunities. *SPONSOR:* ND Forest Service-Project Learning Tree.

GRADE 6 Theme: **Help Prevent Runoff Pollution** - When it rains, pollutants from many different human activities that are on the land in a watershed, whether urban or rural, are carried over the land directly to a water body, enter an underground aquifer, or are carried through storm sewers to a water body. People can prevent or reduce runoff pollution. *SPONSOR:* ND Department of Water Resources - Project WET and ND Water Education.

GRADE 7 Theme: **Keep Our Beaches Clean** - From local lakes to Lake Sakakawea and the Missouri River, keeping our beaches clean not only makes them look better but keeps them safer for others. *SPONSOR:* ND Department of Water Resources

GRADE 8 Theme: **Keep ND State Parks Clean** - North Dakota's fourteen state parks offer unique historical, cultural, and recreational opportunities. Create artwork that inspires visitors to leave no trace by packing out everything that is packed in, keeping ND State Parks clean and tidy for generations. *SPONSOR:* The North Dakota Parks and Recreation Department.
